- 24" ARP-3824AX 1920 x 1080

## IR Touch

- 42" ARP-5542AX 1920 x 1080

# Waterproof Series

NEMA  
4X

IP66

The Waterproof Series is designed for industrial environments where protection against water, dust, and corrosive contaminants is essential. Built with a sealed enclosure architecture, the series meets IP66 and NEMA 4X protection standards, ensuring reliable operation in washdown-prone and harsh industrial settings. With support for flexible mounting options, waterproof I/O configurations, and optional feature modules, the Waterproof Series provides a durable and adaptable platform for cleanrooms, production facilities, and other demanding applications.

PoE

### Powered by PoE or DC 24V

Configurations are available to be powered by 802.3bt compliant PoE switches or 24V DC.

### WIFI Boot ThinManager Ready

ThinManager Ready Configurations are available to boot from ThinManager Server.

### Optional UL Class I, Division 2 (C1D2) Compliance

Configurations are available to be used in Class 1 Division 2 locations.

### Versatile Mounting

Benchtop, Pedestal, Ceiling, Wall mount and Pendant Arm mounting options are available

## Benchtop Stand

Ideal for desk or workbench use, the benchtop stand offers a compact and stable solution for operators who require easy access and flexibility during daily operations.

### Benchtop Stand

for ARP-5515AX / ARP-5517AX / ARP-5519AX / ARP-3821AX / ARP-3824AX

### Keyboard Tray

AX-115  
For ARP-3821AX

### Keyboard Options

KB-115A-AX  
Membrane

KB-115C-AX  
Rubber

## Wall Mount

Designed for secure installation on vertical surfaces, the wall mount option helps save valuable floor space while providing a stable and streamlined setup.

### Wall Mount

for ARP-5515AX / ARP-5517AX / ARP-5519AX / ARP-3821AX / ARP-3824AX

XWM-001

Slide the bracket attached to the Panel PC into the wall mount bracket to securely connect the two components.

### Wall Mount

for ARP-5542AX

XWM-003

## Keyboard Bracket

Designed for use with wall-mounted Panel PCs, the keyboard bracket is available with an extendable foldable work surface or a height-adjustable keyboard tray, supporting ergonomic operation and a space-efficient workstation layout.

## Keyboard Options

KB-115A-AX  
Membrane

KB-115C-AX  
Rubber

## XWM-KB-115-01

Wall Mount with Foldable Work Surface

XWM-KB-115-01 is a foldable, wall-mounted keyboard tray featuring a horizontal folding design. The tray folds 90° inward on both sides beneath the work surface.

## Keyboard Bracket

XWM-KB-115-01

Keyboard

## XWM-KB-115-02

### Wall Mount with Foldable Keyboard Tray

XWM-KB-115-02 is a foldable wall-mounted keyboard tray that extends vertically up to 90° from the wall. The tray can be pulled out for use and folded flat against the wall when not in use.

The keyboard bracket folds flat against the wall when not in use, saving space and keeping the area clear.

### Keyboard Bracket
